

CONTRIBUTIONS TO FAIR EXHIBIT ARE BEING ASSEMBLED

In response to the request for help carried in Wednesday's News, Miss Sipprell, county home demonstration agent, reports that assurances are coming in from all sections of the county that she may count on a good quantity of farm products for the exhibit at the State Fair in Jacksonville November 12 to 19, inclusive.

Assuredly this is going to be the greatest Fair in the history of the state. Miss Sipprell has had considerable experience in arranging displays and the reward for her efforts will be more in the support given by the farmers of Putnam county than by the judges at Jacksonville.

While responses have been numerous in the short time her call has been out, there is reason for more general response and it is hoped that every farmer in Putnam county will do something for the exhibit.

Miss Sipprell has been authorized by the County Commissioners to purchase farm products if the donation by the grower would impose any hardship on the giver, although it is certain that there are many farm products that can be contributed without any expense to the county, leaving more funds for the maintenance of the booth, for advertising and for transportation.

The whole state is cooperating in the support of this year's fair and Putnam county is out to lead them all, as her products justly indicate.

The exhibit will consist of citrus fruit, fresh fruit, other than citrus, cereals, all fresh vegetables, cane, sorghum, cotton, minerals, manufactures and varied industries. In other words, there is nothing grown in Putnam county that can be omitted from the exhibit. The awards will be made for quantity and variety as well as quality although the rules of the Fair Association call for certain quantities of specific commodities for the exhibit.

Miss Sipprell relates that in calling on one farmer to learn what he would provide for the exhibit, she was informed that the farmer did not think he had anything. Miss Sipprell inquired if he had no cane, and learned that he had some mighty fine cane. She asked if he had corn and beans, and was advised that he had the finest beans in the section and that he would like to see anyone with better corn than he had. This interview simply evidenced that the farmer had not given any special thought to how valuable his products were to the exhibit.

It is therefore certain that Putnam county is going to be in the front rank of the exhibitors, and with the competition that will be at the Fair November 12 to 19, great benefit is assured through the display of Putnam county products.

The time is short to provide materials and everyone should immediately write to Miss Sipprell at the county court house, stating quantities and varieties of products they will supply. The Mann-Hodge Seed company, of Palatka, will receive all goods to be shipped later to Jacksonville.

It's going to be a great Fair and greater if Putnam county has a large exhibit. Let's get going now—everybody.

WONDERFUL CHANGE IN WHOLE FAMILY

Man, Wife and Daughter All Report Remarkable Gains in Weight.

"I gained 12 pounds, my wife gained 26 pounds and my daughter is gaining day by day taking Tanlac. It's the biggest surprise of our lives and all our friends and neighbors are talking about it. This medicine has made a wonderful change in every one of us. Before I got Tanlac I could hardly drag one foot after the other. I had indigestion perfectly awful. In fact we were all regular dyspeptics. We all swear by Tanlac now at our house. It ought to be in every home. It's the world's greatest family medicine."

The above statement was made by George L. Tessa, a well-known and highly respected machinist, living at 283 Wowing St., Buffalo, N. Y.

Tanlac is sold by Ackerman-Stewart Drug Co. and all leading druggists.

MANY CLASHES ON STATE GRIDIRONS SCHEDULED TODAY

(By Associated Press)
Jacksonville, Oct. 14.—The University of Florida and Mercer at Gainesville, and Pensacola Naval Reserves and Rollins at Winter Park, comprise the heavyweight card for tomorrow's state football clashes, while the high school elevens will wax warm at no less than five places. The following high school games are scheduled:

St. Petersburg and Hillsborough, at Tampa.
Plant City at Orlando.
Tallahassee at Moultrie, Ga.
Gainesville at Sanford.
Ocala at Palatka.

St. Petersburg meets Hillsborough in their annual clash with one defeat chalked against her out of two games played. Lake City, which gives indications of proving a formidable contender for state honors, snatched a 6 to 0 victory last Saturday, although St. Petersburg was coming back strongly at the finish. Hillsborough received a surprise in being held to a scoreless tie by Sumnerlin Institute after having defeated Palmetto the previous week 28 to 0.

Orlando has two victories to her credit, both by close scores, and Plant City won her first game of the season over Lakeland 13 to 0.

Tallahassee, with two wins, goes to the Georgia city in an effort to repeat the drubbing given her by Duval here last Saturday.

Sanford in her only game played this season was a victim to the Orlando machine in a half game, and her tomorrow's opponent, Gainesville, has had easy sailing so far, romping over both Ocala and Madison, the former to the tune of 69 to 0.

Ocala takes on Palatka in the latter school's debut of the season.

Gainesville incidentally looms strong in the consideration of the season's record. Last Saturday she defeated Madison 13 to 0, crossing Madison's goal four times in all, but losing the count in two instances because of penalties. Madison on the other hand held Lake City to a scoreless tie, although the play was mostly in Madison's territory.

CARDUI HELPED

"REGAIN STRENGTH"

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried everything I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I am sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 55

Lecks Home Robbed By Unknown After Nine Hobos Freed

Burglars entered the home of Herman F. Lecks some time early yesterday morning, devastated the refrigerator, rifled Mr. Lecks' pockets of a few dollars in change, carried off a rifle and a brooch, drank a bottle of ginger ale and some milk and carried a boiled ham some distance from the house and ate a greater portion of it.

The intruder gained entrance by raising the screen and the window to the kitchen at the Lecks home. His visit was not discovered until the family rose yesterday morning and Mr. Lecks had to borrow a dime down town to get his after breakfast cigar.

Whether the intruders were some of the band of hobos coming south, nine of whom were pulled from an Atlantic Coast Line train here, or not is not known. The nine men released by county authorities are believed by some to have been so hungry that the three not rearrested might have been the guilty parties.

Six of the nine were arrested on failure to leave the city and when arraigned before Justice Dowda yesterday morning were given sentences of from thirty days to six months on the county gang. The other three are supposed to have left the city.

It is doubtful if the time will ever come when Americans will take British celebrities as seriously as England takes Chaplin.

Orlando Not to Be Dn Lemon League During Next Year

(By Associated Press)
Orlando, Oct. 14.—Judging from the spirit of a meeting called here tonight Orlando may not have a team in the Florida State League in 1922.

Only nine were present in response to a call sounded by Franklin O. King, recently elected to succeed retiring President F. G. Baxtere, of the local club, to discuss ways and means of clearing up the indebtedness of the past season, and to formulate plans for the financing of the Orlando club in 1922.

President Baxter stated tonight that unless the money was raised immediately to take care of certain notes in the bank for which he is liable, he would sell the Orlando franchise and players.
